DEDICATION

To

Miss Mildred Juniger

In sincere appreciation of her ability as an instructor, of her charm as a person, of her delightful understanding of our problems, and of her unfailing sympathy with our efforts, we, the class of June 1937 dedicate this ninth volume of *The Crusader*. Her ready smile, her cheerful greeting, and her willing assistance have given encouragement and inspiration to all who came in contact with her.

FOREWORD

This is the ninth volume of *The Crusader,* the year-book of Woodrow Wilson High School in Dallas, Texas. We have tried to make for you, with pictures and words, a permanent record of the school year 1936-1937. We hope that it will bring to each of you happy memories of interesting activities and of proud achievements.

G. L. ASHBURN

Principal of Woodrow Wilson High School

A scholarly gentleman, friendly, helpful—that is our beloved principal, G. L. Ashburn. Throughout our stay here at Woodrow Wilson, he has done his best to "see us through", and to give us timely bits of needful counsel, or to assist us in any matter, whether great or small. His frank, open manner has always led both freshman and senior to feel free to discuss innumerable problems with him, not so much as a principal, but as a father, or a close friend. Such an educator as this is one to be saluted as a benefactor to civilization and to his fellow man. We of the class of 1937 take this opportunity to say "thanks" and "farewell" to one who has been so close to our hearts for the past four years.

Scholastic Honor Groups

Each six weeks our school compiles a list of those students who have maintained a high scholastic average in their class work. This list is divided into two groups—the first, which is called *Magna Cum Laude,* is composed of those students who have made an average of 90 to 100 in all their work; the second, which is called *Cum Laude,* is composed of those who have made an average of 80 to 90 in all studies. No student may be included in either group who has made a grade below 80 in any subject.

This year we have added a third group, which is called *Summa Cum Laude.* It is composed of those junior and senior students who have maintained an average of 95 to 100 in all subjects (including examinations) studied in Woodrow Wilson High School. The picture of this group and the names of its members appear at the head of this page, and the entire school salutes its "top" scholars.

On the following pages are the names of those students who met these requirements for the first term this year. Due to the irregularity of attendance some names may have been omitted and the annual staff wishes this to be their apology and excuse if such omissions have occurred.

DEPARTMENTS

P. L. Hooper

Second Lieutenant, Ninth Infantry Reserves, Commandant of Cadets

This is Lieutenant Hooper's first year in command of the Seventh Regiment of the Junior Reserve Officers' Training Corps in Woodrow Wilson High School, which is the largest junior military unit on record with the War Department of the United States. Lieutenant Hooper has worked hard to bring the corps to its present size and efficiency, and because of his gentlemanly manners, his scholarly attitude and his military bearing, he is one of the motivating forces of the school.

Lieutenant Hooper is well prepared for his position, having studied three years at Staunton Military Academy at Staunton, Virginia; two years at Virginia Military Academy at Lexington, Virginia; two years at Lehigh University at Bethlehem, Pennsylvania; and having spent one year in active service in the United States Army. He is a member of the All-American Rifle Team, 1936, and is listed for his efficiency as a "distinguished pistol shot."

Sergeant William Forster

Sergeant Forster is a retired army man, who served 21 years in the National Army, gave up active service in 1920, since which time he has been engaged as supply sergeant for the high schools of Dallas. He has been actively identified with all the military affairs of this school, since its opening in 1928.

Miss Julie Feldhusen

Miss Feldhusen is secretary to the Commandant and has proven to be a very capable "second-in-command," who holds the esteem and friendship of every man in the corps.

Staff Sergeant Thomas Perfect

Sergeant Perfect acts as assistant to Sergeant Forster and attends to checking the equipment and rifles in use by the Woodrow Wilson Regiment.

The Senior Library Council of Woodrow Wilson High School is composed of students of the senior class chosen by Mrs. Helen C. Braack, the librarian. The Council is the assisting, as well as the governing body of the library and some of its duties are to help students enjoy the library and also maintain a quiet, orderly atmosphere. The Council members give, to each counciling class during Book Week, the review of a current book and during the same week they present an assembly program.

The management of the extra-curricular activities of Woodrow High School takes on the aspect of real business in the course of the year:

The school year book, *The Crusader,* calls for the collection and disbursement of approximately $2,500, while the *Woodrow Wilson News,* which is issued fortnightly, carries an annual budget of $500. Both these publications depend entirely on student support and contain no advertising.

Each Tuesday the Thrift Department opens the banking room, at which time students are urged to make deposits in their school accounts; that students appreciate this opportunity of saving money and learning the habits of thrifty and intelligent conservation of their funds is shown by the fact that the school has *700* active accounts, representing a saving of *$26,000.*

The National Honor Society is an organization for certain students of American secondary schools who have proved themselves good citizens of the school. Each term the members of the faculty elect 15 per cent of the 4A's, 10 per cent of the 4B's, and 5 per cent of the 3A's for membership in the society. This selection is based on the student's standing in scholarship, service, leadership, and character.

The Senate is a club for those who are interested in current events, mainly political. The Democrats, Republicans, and non-partisans, all are privileged to state their opinions on subjects of current interest in the Open Forum discussion which follows the talks by the principal speakers. The "senators" represent almost all of the forty-eight states. In short, the politicians, semi-politicians, and non-politicians, all enjoy the Senate, because of its development of argumentative and thinking ability.

The Girl Reserves are interested in discovering new things, in having good times, doing things worthwhile, making real friends, and learning more about the world in which they live.

In order to do these things, the club meets once a week, having interesting and beneficial programs. Often members of Girl Reserves clubs of other schools are entertained. Once a month all Girl Reserve clubs throughout the city meet at a luncheon at the Y. W. C. A. in order to promote friendships and to keep these groups as a unified organization.

The Fencing Club has recently been organized in Woodrow Wilson High School. As a hobby, fencing is superior in many ways to stamp collecting or knitting—at least, from the point of view of the student who craves action. It has a romantic appeal because of its historic background, and it is a vivid sport, exciting to the imagination. Unlike many sports, it has no definite season. Two persons, only, are necessary for participation, and it is a most invigorating exercise, conducive to good posture and bodily co-ordination. However intricate the sport may be, the practice is fun—even for the novice; after all, d'Artagnan was once a beginner.

Crusaders and Band

Two colorful groups that have added brilliance to most of Woodrow Wilson High School's public appearances this year are the Band and Crusaders. The Crusaders are a drum, bugle, and fife corps composed of 112 girls dressed in scarlet and gray uniforms. The band of 80 members wear dress uniforms of corresponding colors and the combination of these two groups has caused a great deal of favorable comment from the spectators.

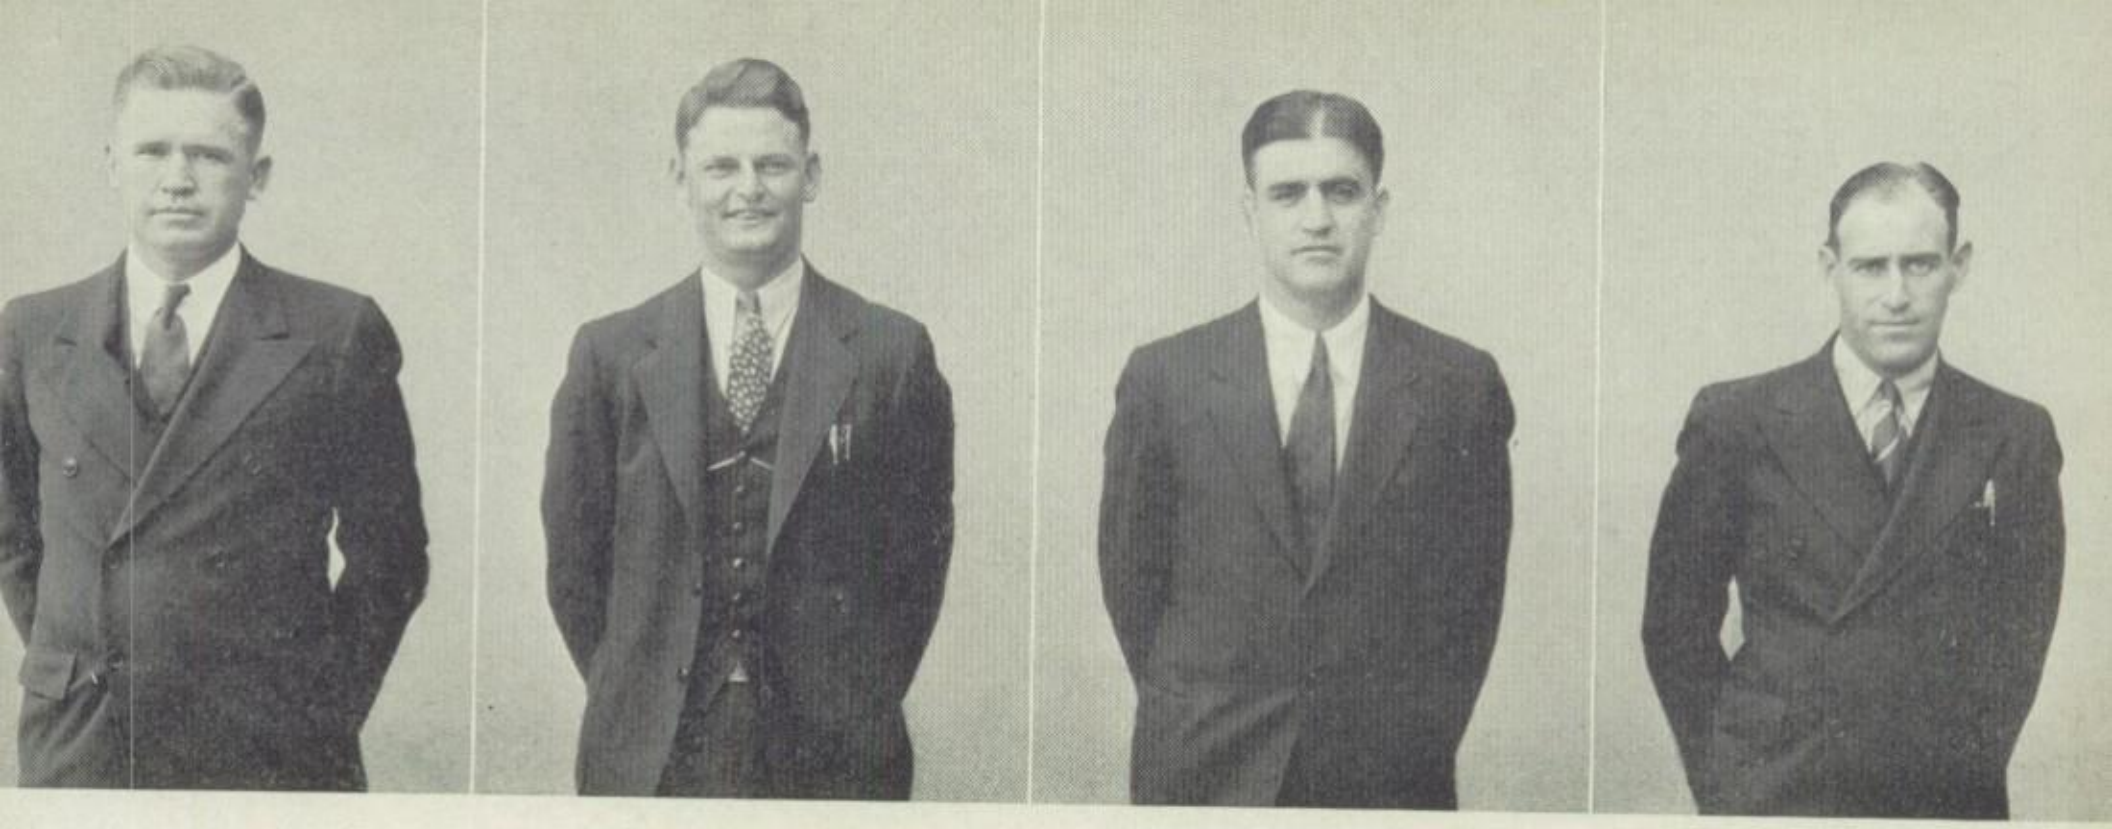
SCHOOL SONG

Woodrow Wilson, our Woodrow Wilson,
Woodrow Wilson, we're all for you.
We will fight for the gray and crimson
And the glory of our high school.
Never daunted, we cannot falter,
In the battle, we're tried and true.
Woodrow Wilson, our Woodrow Wilson,
Woodrow Wilson, we're all for you.



Coaches

Wade Thompson	*Head Coach*
Bailey Hargrave	*Assistant Coach*
L. N. Houchin	*Assistant Coach*
Doyle Smith	*Assistant Coach*

Wade W. Thompson has ably coached the football teams of Woodrow Wilson Wildcats for the past two years and has been in charge of the victorious track team for a longer period of time. He is a man greatly admired by the entire student body for his friendly manners as well as his high standards of sportsmanship.

Assistant Coach Bailey W. Hargrave not only helps with the freshman football team but also trains the triple W tennis players. He is interested in both lines of sport, and at the time the Crusader goes to press has every indication of having once again trained the tennis teams and stars who will gain the 1937 victory on the tennis courts of the Dallas high schools.

Assistant Coach L. W. Houchin assures Woodrow Wilson High of future gridiron victories by training the freshman football boys. An industrious and conscientious worker, he took charge of the underclassmen and while nominally he is a member of the faculty of J. L. Long Junior High the Wildcats claim him as one of their own.

Assistant Coach Doyle Smith proved his worth in coaching a strong line as assistant to Coach Thompson. He has shown a splendid spirit of coöperation and has done much toward the betterment of athletics at Woodrow Wilson.

The Season

Woodrow 20; Sherman 7

Releasing a deceptive aerial attack in their first game of the season, the Wildcats downed the Sherman Bearcats 20 to 7. Good punting in the first period enabled the Gray and Crimson eleven to make their first "teedee" at the start of the second quarter as a result of a pass, West to Kirby, which placed the ball on the 8-yard stripe from where West carried over. Webb's pass to Smith accounted for the second score late in the quarter. Bertucci plunged over the goal for the third marker in the second half. Heads-up football aided in holding the Bearcats to one touchdown.

Woodrow 0; Hillsboro 13

Playing on a field completely covered with water and looking more a swimming meet than a football game, the Wildcats were defeated by the strong Hillsboro eleven 13 to 0. The Eagles' first six-pointer came as a result of a blocked kick. In the second quarter Bertucci fumbled behind the goal and the Hillsboro eleven recovered for their second score. From then to the end of the game the Gray and Crimson held the Eagles on par, neither pushing across a tally. In the fourth quarter, however, the Wildcats began their attack and made their only first downs of the game.

Woodrow 0; Waco 6

Displaying a fine defense which held the favored Waco Tigers to a single touchdown, the Triple W went down to defeat, but not disgrace, before the invading Tigers 6 to 0. The fast Waco eleven took the pigskin in the first few minutes of play and with a strong running and aerial attack climaxed by a perfectly executed lateral made the only score of the game. The Wildcats came to life at the end of the first quarter and nearly scored when Shively blocked one of the Bengals' punts, but a fumble ended the threat on the Waco 27-yard line. Both elevens had several chances to push across a tally, but were unable to click. The play of both forward lines provided the feature of the game.

Woodrow 6; Adamson 2

The Woodrow Wilson Wildcats jumped the gun and won their opening city series game with the Adamson Leopards in the Cotton Bowl by a score of 6 to 2. Adamson drew first blood when Bertucci missed a bad pass from center and was downed behind the goal for a two-pointer for the Leopards. It was in the third quarter that Woodrow's winning counter was made. A series of runs and passes aided by a 25-yard penalty placed the ball on the Leopards' 4-yard line from where Webb took the ball over. The try for extra point was blocked, and the game ended without further scoring.

Woodrow 20; Denison 6

The Gray and Crimson footballers conquered the Yellow Jackets of Denison Hi, previously undefeated, in a day game at the Cotton Bowl by a score of 20 to 6. The Wildcats flashed a greatly improved offense, scoring their first marker after a few minutes of the first quarter. West, Wildcat quarter, took the ball over from the 1-yard line. The Triple W scored twice in the third quarter. Once Webb carried over from the 4-yard line after Shively recovered a blocked kick, and Bertucci threw Smith a pass, good for 30 yards and the Wildcats' final score. The fourth quarter was played by the second team who held the Yellow Jackets to one "teedee."

The Season

Woodrow 7; Sunset 30

Showing a surprising reversal of form in their second district game, the Silver and Flame of Woodrow was trampled before the onrushing Sunset Bisons, 30 to 7. Even with J. C. Wilson, star back, recently declared eligible, in the line-up, the Wildcats were no match for the Bisons, who scored two touchdowns in the first quarter. Lonnie Hill, Wilson cinder star, took the ball on the kick-off after the Bisons' first score and returned it 79 yards to the 10-yard line, where Wilson carried over for the Wildcats' only threat.

Woodrow 19; Forest 7

Outscoring the Green Wave of Forest 19 to 7, the Wildcats won their second city series game. In the second quarter a 33-yard run by Hill produced the Wildcats' first score. In the second half after a series of passes had been thwarted by the Lions' secondary, the Wildcats got inside the Greenies 40-yard stripe and scored on a pass, Bertucci to Fowler. A Lion fumble proved costly and resulted in the Gray and Crimson's third tally. The Lions' score came in the fourth quarter on a run by Denny. The Wildcats' victory, however, was marred by the loss of Ray West, star quarterback, who received a broken leg and was lost to the team for the remainder of the season.

Woodrow 6, Tech 32

Bravely putting up with a defense and offense which they could not match, the Wildcats lost to the Tech Wolves, 32 to 6. The Wolves scored four touchdowns in the first half while holding the Wildcat backs to no gain. In the last quarter the Grey and Crimson came to life, and a series of passes worked to complete a score. With Wilson slinging them, and Kirby and Smith, ends, catching them in turn, the Wildcats marched down the field to the 5-yard line from where Wilson crashed over tackle for the count. Wilson stood out for the triple W eleven in the backfield, while Kirby and James, who continued his way to all-city-honors, starred defensively.

Woodrow 0; North Dallas 13

The Wildcats were knocked into fourth place in the final city series game by virtue of their defeat at the hands of the Bulldogs, 13 to 0. Ivey of North Dallas scored the first goal before five minutes of the first quarter had passed. The Woodrow line held until the fourth quarter, but their offensive attack could not get started. Cooke and Wilson gained against the Bulldog line but to no advantage. Hart, Kutner, Shively and James stood out on the defense for the Grey and Crimson eleven.

Woodrow 6; Beaumont 0

Emerging the victors in a "story book" last minute finish, the Wildcats closed their season with a close win over the Royal Purple eleven of Beaumont, 6 to 0, on Turkey Day. In the closing seconds of the last quarter, Smith caught a forward pass thrown by Wilson and was downed on the 3 yard line. With 5 seconds left to play, Webb went through a hole at center large enough for a truck, for the winning score.

Howard Kitchen, with his sincere understanding and helpful coaching, led the basketball team to victory. He has developed a smooth-working team of marked ability which brought home the city and district championships. Back of it all is the lively dynamic coach who trains his boys to be good citizens as well as good sports.

Coach George S. Boley, another member of the J. L. Long Junior High faculty, has taken charge of the baseball squad for the Wildcats this season. He is patient and friendly, but always firm with his men and demands from them their best ability and the highest type of sportsmanship; it is through his leadership and example that the Wildcats hope to gain another trophy as city baseball champions.

Features

In this section of the year book will be found the pictures of the school favorites—the three boys and three girls who were selected by the votes of all students in Woodrow Wilson High School: Miss Maxine Mills, vivacious brunette cheer leader; Mr. Jack Dunagan, band leader and trumpet player, par excellence; Miss Dorothy Gorman, friendly and gay, blonde cheer leader; Mr. Paul Zimmermann, the new-comer from Kansas, who proved himself the "whirl-wind" of the local basketball courts; Miss Ann Davis, the youthful blonde sophomore who brought with her from J. L. Long, Jr. High the admiration and esteem of her classmates and then added to that enough votes of upper class students to place her in the winner's column; and Mr. Malcolm Kutner, a star both on football gridiron and the basketball court.

The trophy pages may serve to recall the many victories of the W. W. Wildcats in all fields of scholastic contests: essay, declamation, sewing, golf, swimming, band, rifle, tennis, basketball, football, baseball, track, relay, military drill, boxing, stamp collection, and P. T. A. attendance. Each cup represents outstanding achievement in one of these lines.

The two senior play pages will bring back memories of the high lights of the year — the senior days; while the auditorium pages represent scenes from several of the more interesting assemblies; the snap shot pages will be reminders of less serious and *much less* dignified moments.
